COMPANY: Mount Tipton Water Company, Inc.

AGENDA ITEM NO. U-20

DOCKET NO. W-02105A-03-0303

OPEN MEETING DATE: August 3, 2004

**Water Loss**

Page 11, after line 5, INSERT new Finding of Fact 36 and renumber subsequent Findings of Fact:

"36. We find Staff's water loss mitigation recommendations found in ~~Finding of Fact 35 subparts (1) and (2) reasonable and will adopt them.~~ Arizona is in a drought and water is a precious resource. The Commission rejects Staff recommendation (3) that allows the Company to justify why water loss exceeding 10% is acceptable because efforts to mitigate water loss would not be "cost effective." The Company's detailed water loss report shall address ways to reduce water loss to less than 10%."

Page 18, line 12, after "35" INSERT "(1) and (2)".
