Re: Qwest Corporation's Notice of Filing Interconnection Agreements in Compliance with Decision No. 66949; Docket Nos. RT-00000F-02-0271, T-00000A-97-0238, and T-01051B-02-0871.

Dear Mr. Berg:

Pursuant to Decision No. 66949, Qwest was ordered to file with the Commission for its approval the 28 interconnection agreements ("agreements") identified in Exhibit B of the Decision. On May 28, 2004, Qwest filed the agreements as was ordered by the Commission. Staff has completed its review of the agreements and notes that several of the agreements discriminate against other carriers and/or are not in the public interest.

Specifically, Staff has concerns with the provisions on Regulatory Nonparticipation Clauses, Confidentiality, Binding Private Arbitration and Other State Governing Law and finds that these provisions as contained in the agreements are not in the public interest, and should be rejected. Staff noted that many of these provisions are almost identical to those rejected by the Commission in Decision No. 65475.

47 U.S.C. Section 252(e)(2) provides that a State Commission may only reject a negotiated agreement, or portion thereof, if:

- the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity.

Attached to this letter is a list of the 28 agreements along with the modifications Qwest should make to each agreement. Please refile the agreements with the Commission within 10 days, with the Regulatory Nonparticipation Clauses, Confidentiality, Binding Private Arbitration and Other State Governing Law provisions, excised as set forth in the Attachment to this Letter.

If you have any questions, please contact me at 602-542-0840 or Maureen Scott at 602-542-6022.

Sincerely,

A handwritten signature in black ink, appearing to read "Blessing N. Chukwu".
