Re: In the Matter of the Application of OCMC, Inc. to Obtain a Certificate of Convenience and Necessity From One Call Communications, Inc. DBA Opticom to Provide Telecommunications services as a Provider of Resold Interexchange Services and Alternative Operator Services Within the State of Arizona  
Docket Nos. T-04103A-02-0274; T-02565A-02-0274

To Docket Control:

OCMC, Inc. has received Staff's Supplemental Report dated August 23, 2004. In that Staff Report, Staff indicates that it lacks certain data to make an adequate comparison.

Although, for the reasons stated in its prior filings, OCMC continues to believe that it has met its burden pursuant to A.A.C. R14-2-1006.B, this letter will confirm that OCMC is working to determine if it has any additional data to allow Staff to make the comparisons at issue.
