**DOCKET NO. W-03512A-03-0279
OBJECTION TO SECOND DATA REQUEST
OF PINE WATER COMPANY SERVED
UPON PINE STRAWBERRY WATER
IMPROVEMENT DISTRICT**

COMES NOW THE PINE STRAWBERRY WATER IMPROVEMENT DISTRICT, by and through its attorney undersigned, and objects to the Second Data Request, consisting of one question which was propounded by Pine Water Company on January 15, 2004. The question is:

2.1 Please provide the amount of District's legal fees incurred in connection with the District's intervention in the Pine Water Rate Application.

The District objects to this question on the grounds and for the reasons that it is irrelevant and immaterial to these proceedings nor does it lead to the discovery of any admissible evidence in this proceeding. The question has been propounded merely to harass and intimidate the Intervenor.

In addition, the Applicant has repeatedly argued that what is of concern is the test year. The request is for post test year information from the Intervenor and as such the information is not relevant to the test year.

The Intervenor has requested that the Applicant provide authority to support the request, but the Applicant has indicated that they are not aware of any.
