Dear Mr. Kriess;

Re: the Notice of Hearing for Certificate of Convenience and Necessity for Citizens Utilities Company, Inc. and Cap Rock Energy Corporation transfer.

I regret that publication for the above referenced notice did not occur on or before the June 23, 2000 issue of The Arizona Republic newspaper as you had requested. The error was entirely the responsibility of this office.

Though the ad was scheduled, an error in procedure prevented its being properly routed through our production system.

Per your instructions, we published it the next available day, June 24, 2000.

Sincerely,

**PUBLIC NOTICE OF THE HEARING FOR CITIZENS UTILITIES
 COMPANY, INC. AND CAP ROCK ENERGY CORPORATION FOR
 TRANSFER OF ITS CERTIFICATE OF CONVENIENCE AND NECESSITY
 AND THE SALE OF CERTAIN UTILITY PROPERTIES**

On March 10, 2000, Citizens Utilities Company ("Citizens") and Cap Rock Energy Corporation ("Cap Rock") filed with the Arizona Corporation Commission ("Commission") a joint application for approval of the sale of certain electric utility properties in Arizona and the transfer of the Certificate of Convenience and Necessity ("Certificate") from Citizens and its Arizona Electric Division to Cap Rock.

The Commission will hold a hearing on these matters commencing on September 6, 2000, at 10:00 a.m. at the Commission's offices, 1200 West Washington Street, Phoenix, Arizona. Public comments will be taken on the first day of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to Applicants or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of Applicants, a shareholder of Applicants, a competitor, etc.)
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C.R14-3-105, except that all motions to intervene must be filed on or before July 3, 2000. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any customer from appearing at the hearing and making a statement on such customer's own behalf.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting Cynthia Mercurio-Sandoval, ADA Coordinator, voice phone number 602/542-0838; E-mail csandoval@cc.state.az.us. Requests should be made as early as possible to allow time to arrange the accommodation.

IT IS FURTHER ORDERED that Applicants shall cause the above notice to be published at least once in a newspaper of general circulation in its service territory, with publication to be completed no later than June 23, 2000.

IT IS FURTHER ORDERED that Applicants shall file certification of publication as soon as practicable after the publication has been completed.

IT IS FURTHER ORDERED that notice shall be deemed complete upon publication of same, notwithstanding the failure of an individual customer to read or receive the notice.

IT IS FURTHER ORDERED that the Ex Parte Rule (A.A.C. R14-3-113-Unauthorized Communications) applies to this proceeding as the matter is now set for public hearing.

IT IS FURTHER ORDERED that Southwest Gas Corporation is hereby granted intervention.

IT IS FURTHER ORDERED that the Presiding Officer may rescind, alter, amend, or waive any portion of this Procedural Order either by subsequent Procedural Order or by ruling at hearing.

DATED this 22nd day of May, 2000.
