Re: Qwest rate application, Docket No. T-01051B-99-0105

Dear Maureen:

This letter is to confirm our discussion of last Thursday, and my subsequent discussion with Chris Kempley, that, in light of delays in RUCO receiving responses to certain of its data requests, Staff will not object to RUCO filing further supplemental testimony regarding the Settlement Agreement. You indicated that RUCO can expect to receive responses to data requests 3.1 and 3.2 by the end of the day today. Chris had indicated that RUCO would receive responses to its fifth set of data requests by the end of the day today. Therefore, I propose that RUCO file any necessary further supplemental testimony no later than the end of the day on Wednesday, November 15, 2000.

If you have any questions, please do not hesitate to contact me at (602) 279-5659 ext. 349.

Sincerely,
