RE: PUBLIC COMMENT SESSIONS—QWEST (~~T-01051B-99-0105~~) and T-01051B-00-0369)

Based on my reading of recent docketed correspondence, I would like you to begin identifying dates for public comment sessions to be held prior to the November 29, 2000 hearing on the above-referenced matters. Please review the latest Procedural Order (October 17, 2000), and coordinate with the Chief Hearing Officer as necessary. Please contact each Commissioner's office and appropriate Commission staff members. Finally, please share information on dates, locations and Commissioner availability with Mr. Rudibaugh so that he can incorporate these additional sessions into his procedures.
