RE: Letter from Deborah Scott, dated and docketed March 2<sup>nd</sup>, 2001  
Docket No. ~~T~~-01051B-99-0105

Dear Chairman Mundell:

As a follow-up to the letter I filed on Friday, March 2<sup>nd</sup>, I am filing this letter to clarify a couple of points for the record. There were a couple of typographical errors in the March 2<sup>nd</sup> letter that may have made some facts unclear. These include:

- Staff retained Strategic Policy Research in **August, 1999**<sup>1</sup>.
- Staff and its consultants have conducted extensive analyses of the USW/Qwest's cost of service, revenue streams, and revenue requirement over **approximately two years**.<sup>2</sup>

Staff apologizes for any confusion these clerical errors may have caused the Commissioners or the parties.

Sincerely,

Deborah R. Scott  
Director, Utilities Division
