DOCKETED BY	
-------------	--

Dear Chairman Mundell:

The attached Competitive Exchange and Network Services Price Cap Tariff pages are being filed pursuant to Decision No. 63487 and Section 4(l) of the Price Cap Plan to make the following changes to the rates for a number of Qwest Services:

- Premises Work Charges – Increases the rates for trouble isolation and charges for the installation of noncomplex jacks.
- Residence Maintenance Plans - Increases the rates for basic wire maintenance, *LINE-BACKER* service, and *COMPLETE COVERAGE*.
- Business Maintenance Plans – Increases the rates for *UNISTAR* service.
- CENTRON Custom Service – Increases the recurring and nonrecurring rates for flat rate and measured resale network access registers. Decreases the recurring rates and increases the nonrecurring rates for flat resale network access registers.
- Centrex Plus Service – Increases the recurring and nonrecurring rates for flat rate and measured resale network access registers. Decreases the recurring rates and increases the nonrecurring rates for flat resale network access registers.
- Customized Call Management Services/Centron I Service – Increases the rates for the standard feature package, as well as for a number of optional features. Also reduces the price for the Convenience Dialing 30# list feature for residence customers.
- Obsolete Customized Call Management Services/Centron I Service – Increases the rates for Alternate Answering and 2 intercom features for business customers. Also increases the rate for the 6 number intercom feature for residence customers.
- Obsolete Centron 6 and 30 Service – increases the rates for a variety of standard and optional features for both business and residence customers. Reduces the rates for several optional features for residence customers.

These pages have been prepared with an effective date of May 3, 2001. Please contact either me, or Reed Peterson on 602-630-8221, if you have any questions concerning this filing.

Sincerely,

Maureen ARNOLD
