Re: Telephone Company of Central Florida, Inc.
Docket No. T-03441A-97-0533 Decision No. 63526 March 30, 2001
Request for Extension of Time
Compliance Action: Filing of Conforming Tariff

Dear Docket Control Center:

The Telephone Company of Central Florida, Inc. [TCCF] is in receipt of the Compliance Notice issued by the Arizona Corporation Commission, Report Date: April 03, 2001, received April 5, 2001.

As stated in the Compliance Action: Certificate conditioned on Company filing with the Commission conforming tariffs within 30 days of the effective date of the Commission's Decision. Compliance Due Date: 04/30/2001

Compliance Filing Instructions state: "If for any reason you cannot comply by the time specified in the Commission's Decision, you may request an extension of time. This request must be made at least thirty (30) days prior to the due date for compliance in order to allow for consideration by the Commission."

TCCF regrets not filing within the specified request for extension of time window as this was not logistically possible under the above mentioned time interval circumstances.

TCCF currently is in the process of developing new products and services which will not be finalized by the compliance due date of April 30, 2001. It is for this reason that TCCF is requesting an extension of time for the filing of its initial tariff.
