RE: Starlink Communications, L.L.C.  
DOCKET NO.: T-03104A-96-0125

DOCKETED BY 

Dear Sir or Madam:

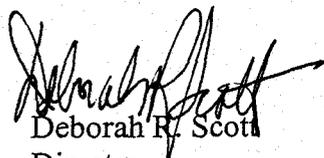

According to Arizona Corporation Commission ("Commission") records, you and/or your Company/Firm are the Statutory Agent for the reseller applicant indicated above. Commission Staff sent a letter in January 2000, to the applicants. In July 2000, letters were sent to their Legal Representatives. Both letters notified them that their Application for a Certificate of Convenience and Necessity ("CC&N") to resell telecommunications services within the State of Arizona and for a determination that services of the company are competitive would be processed. A request for updated information was made in the letters. However, neither the reseller applicant nor their legal representative responded to the letters.

Therefore, the purpose of this letter is to serve **final notice** that the reseller applicant must contact Marta Kalleberg, by October 23, 2000, to provide current information if it wishes to have the application processed. If the reseller applicant no longer wishes to have its application processed, a Request to Withdraw form is available by contacting the Docket Control Center. For filing information, instructions and docket cover sheets, please contact the Docket Control Center (602-542-3477).

If a response to this **final notice** is not received by October 23, 2000, the pending application will be terminated and the docket administratively closed. **Be advised that the legal consequence of dismissal or withdrawal of the company's application, is that the company will no longer have the authority to resell telecommunications services within the State of Arizona and must cease all business activity involving resold telecommunications services in Arizona.**

If you have any questions regarding this letter, please contact Marta Kalleberg at [mkalleberg@cc.state.az.us](mailto:mkalleberg@cc.state.az.us) or (602) 542-0742.

Sincerely,
