DOCKETED BY 

Re: Valley Utilities Water Company, Rate Application; Docket No. W-01412A-04-0736;
Letter of Deficiency

Dear Mr. Dorf:

We are in receipt of your November 5, 2004 Letter of Deficiency. In earlier discussions with of Dennis Rogers and Marlin Scott, we were informally advised of the indicated deficiencies. On Friday, November 5, 2004, Bob Prince, the President of the Company, hand delivered those items to Mr. Scott's office.

On Monday, November 7, 2004 Mr. Scott stated that those filings did complete the sufficiency requirements. Based upon that, we were advised that although the Letter of Deficiency had been mailed, a Letter of Sufficiency would be immediately forthcoming.

In the event my understanding is incorrect, we would appreciate being advised immediately regarding any continuing deficiency. Thank you for your assistance in this matter.

Sincerely,

Richard L. Sallquist
