RE: **COMPLIANCE TO DECISION NO. 63537** - REQUEST FOR  
EXTENSION OF TIME. (DOCKET NO. T-03955A-00-0903)

On May 24, 2001, Long Distance Billing Services, Inc. (LDBS) submitted correspondence requesting an extension of time to comply with one condition in the decision granting LDBS authority to provider resold interexchange telecommunications services (Decision No. 63537). LDBS's CC&N was conditioned on the Company filing conforming tariffs within 30 days of the effective date of the Commission's Decision. LDBS did not comply and its certificate was void without further order of the Commission. LDBS mentions that it is revising its tariffs to reflect the addition of new products and services. Therefore, LDBS requires additional time to comply with the Decision. Staff has no objections to this request.
