RE: MOTION TO INTERVENE in the matter of the application of Oak Creek Utility Corporation for increase in its rates and charges for water and sewer utility service.

DOCKET NUMBER: WS-02061A-04-0835

My name, address and telephone number are listed below.

I wish to intervene in the application for increases in the water rates, sewer rates and charges filed by Oak Creek Utility Corporation. I am a residential customer of the utility; therefore, I have interest in the ramifications of a 300% increase to our water and sewer rates.

I have decided to risk intervention even though we received a letter from Scott Gray (previous owner of the Oak Creek Utility Corporation), threatening that our rates could go even higher if we were to extend the Arizona Corporation Commission rate process in any way. I'm not sure why Scott would write something like that if he truly no longer has any interest in the Oak Creek Utility Corporation.

I hereby certify that a copy of this Notice of Intervention has been mailed to Oak Creek Utility Corporation at P.O. Box 1020, Apache Junction, AZ 85217-1020.

Sincerely,

David Peck
