Dear Commissioners:

This letter is filed on behalf of our client, Time Warner Telecom of Arizona LLC ("TWTA"), with regard to the performance bond issue raised in the above-referenced proceeding. TWTA has reviewed the Exceptions filed by the Applicants and supports those comments made in support of a revision of the Commission's current performance bond policy. As a provider of telecommunications services to solely business customers in Arizona and with substantial assets in the state, TWTA is in much the same position as the Applicants with regard to the performance bond. TWTA believes that the current policy is and will continue to be unworkable for providers with substantial revenues in Arizona.
