Re: Docket Number RT-00000J-99-0034  
Request for Extension to Submit Marketing Materials and Notice of Subscriber Rights  
VarTec Telecom, Inc.

Dear Sir or Madam:

VarTec Telecom, Inc. ("VarTec") respectfully submits an original and thirteen (13) copies of this filing to request approval from the Arizona Corporation Commission ("Commission") for an extension regarding the Company's submission of marketing materials to the Commission, as well as the notice of subscriber rights to be published on VarTec's web site.

Unfortunately, the requests for information contained in Docket Number RT-00000J-99-0034, in reference to the Commission's new cramming and slamming rules, will require more time than anticipated to complete. As such, VarTec respectfully requests that the Commission allow the due date for the aforementioned documents to be extended until November 30, 2004. This extension would allow the Company ample time to compile the requested information and provide the Commission with the most accurate information possible.

Your attention to this matter is greatly appreciated. If you have questions regarding this request, or need additional information, please contact the undersigned directly at (214) 424-1709 or via e-mail at sasendro@vartec.net.

Respectfully submitted,

Stacy Sendrowski
