CERTIFICATION

STATE OF ARIZONA)
 :
County of Pinal)

I, Gloria Leija, City Clerk of the City of Casa Grande, hereby certify that the attached Resolution 3558 is a true and correct copy of an original.

IN WITNESS WHEREOF, I hereunto set my hand and the official seal of the City of Casa Grande, this 9th day of February 2005.

Gloria Leija, MMC
City Clerk

RESOLUTION NO. 3558

A RESOLUTION OF THE COUNCIL OF THE CITY OF CASA GRANDE, ARIZONA, EXPRESSING OPPOSITION TO THE NORTHERN ROUTES ALONG THE EL PASO NATURAL GAS PIPELINE OR McCARTNEY ROAD ALIGNMENTS PROPOSED BY THE SALT RIVER PROJECT AND OTHER PARTIES FOR THE 500/230 kV TRANSMISSION LINE THAT MOVES ELECTRICAL POWER FROM THE PINAL WEST SUBSTATION THROUGH CASA GRANDE AND TO THE BROWNING/SEV SUBSTATION IN NORTHEAST PINAL COUNTY.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF CASA GRANDE, ARIZONA, as follows:

WHEREAS, SRP and its partners has presented to the Arizona Corporation Commission Line Siting Committee alternative routes for the 500/230 kV transmission line that would, if constructed, traverse the northern half of the City, cutting through the heart of established neighborhoods and communities and effectively bisecting the community north to south; and

WHEREAS, the Northern Alignments proposed by SRP and others for the 500/230 kV transmission line would negatively impact existing neighborhoods, homes and families; and

WHEREAS, the Northern Alignments would interfere with future expansion of the Casa Grande Municipal Airport; and

WHEREAS, the Northern Alignments would cause undue burden and expense for approved, but not yet constructed, planned developments near or along the Northern Alignments; and

WHEREAS, SRP and its partners and the City of Casa Grande have proposed Southern Alternatives to the Northern Alignments that would have far less impact on future and existing development and are more environmentally compatible than the Northern Alignments. SRP representatives have testified in the proceedings they are willing to construct the alternatives to the Northern Alignments and actually prefer the Southern Alternatives over the Northern Alignments; and

WHEREAS, the Northern Alignments, if constructed, are environmentally incompatible with the existing Casa Grande Union High School and future elementary and middle school buildings to be constructed for future generations of Casa Grande children.

NOW, THEREFORE BE IT RESOLVED:

That the City Council of the City of Casa Grande perceives the Northern Alignments proposed for the 500/230 kV transmission lines by SRP to be contrary to the best interests of the City of Casa Grande and its residents, providing no direct benefit to the City or its residents and

instead imposing hardships upon Pinal County and City residents that should rightly be borne by the intended beneficiaries of the transmission line;

That the City Council of the City of Casa Grande is hereby declaring its steadfast opposition to the Northern Alignments proposed by SRP and its partners for the 500/230 kV lines slicing through Pinal County and the City of Casa Grande from the Pinal West Substation to the Browning/SEV Substation and declaring their support for the City of Casa Grande proposed Hanna Road alignment; and

That the City of Casa Grande join with other concerned entities and organizations to unite together to voice their opposition to the Northern Alignments to the various levels of the Arizona Corporation Commission considering proposals for siting the 500/230 kV transmission line.

PASSED AND ADOPTED by the Mayor and Council of the City of Casa Grande, Arizona, this ____ day of October, 2004.
