AZ CORP COMMISSION
DOCUMENT CONTROL

The above referenced application by Chaparral City Water requests an increase in excess of 21%. As a resident of Fountain Hills and a retiree a \$7.00 per month increase is not only exhorbitant but is off the page particularly since social security increases this year amounted to only 2%. Also, there are not many employers granting 21% increases to employees. Perhaps the Commission can bring CCWC back to earth and grant increases that reflect current business and economic conditions. Thank you.
