Dear Mr. O'Hara:

This letter is to inform you that Mohave Electric Cooperative stands ready to provide power to Central Trucking Inc. at 2255 W. Oatman Road. Mohave Electric is ready and willing to serve C.T.I. at its standard commercial metered rates using on site generation until such time as Mohave Electric can build or arrange for standard distribution facilities to the site.

Mohave Electric is willing to negotiate a lease or purchase agreement on C.T.I.'s existing generator system and fuel tank or Mohave will provide its own facilities to serve C.T.I.

Mohave Electric will provide and install a 200 amp temporary service including metering facilities and a disconnect for C.T.I.

We look forward to serving you. Please contact us at 928.758.0579 on or before Friday, January 21, 2005.

Sincerely,

Aaron Stallings
Manager of External Affairs
