On December 18, 1997, in Decision No. 60532, USN Communications Long Distance, Inc. ("USN") was granted a Certificate of Convenience and Necessity by the Arizona Corporation Commission to provide resold long distance services in Arizona. On October 4, 2000, USN filed a letter stating that as of May 26, 1999, it was no longer serving customers in Arizona and requested that its Certificate be cancelled.
