Nature of Complaint:

Against Unisource buyout and potential rate increase.

Hello We are home owners in Lake Havasu City, AZ and we are concerned about the buyout of Unisource by Saguaro Utility Group. If Unisource was so profitable that Saguaro can pay \$850 million, customers should demand a refund for the 22% rate increase that Unisource unjustly charged them. We as ratepayers cannot bear the burden of another increase for utilities. This sale should be denied by the commissioners .
