RE: **Revised/Substitute Tariff Pages for T-03289A-04-0877**
Bell Atlantic Communications, Inc. d/b/a Verizon Long Distance

Dear Madam/Sir:

Tel: 407-740-8575
Fax: 407-740-0613
tmi@tminc.com

Pursuant to our conversation with Adam Lebrecht on your staff, enclosed please find an original and thirteen (13) copies of *revised/substitute* tariff pages filed on behalf of Bell Atlantic Communications, Inc. d/b/a Verizon Long Distance. The Company respectfully requests an effective date of May 1, 2005.

This filing was originally filed under Docket No. T-03289A-04-0877 with a January 8, 2005 requested effective date. In this revised filing of T-03289A-04-0877, we are requesting all changes to be effective May 1, 2005. Also enclosed in this filing are staff requested customer notices for the removal of the Pay Telephone Surcharge maximum rate, along with notice of increase to the current rate increase and the customer notice for Plan F Service (TalkTime 60) maximum and current rate increase; staff's first set of data requests; Affidavit of Notification; and current and proposed tariff pages.

We are withdrawing the changes previously requested on pages:

Third Revised Page 30.1 - Allow this page to revert back to Second Revised Page 30.1.
Third Revised Page 33.3 - Allow this page to revert back to Second Revised Page 33.3.

Revised/Substitute/Proposed tariff pages included in this filing are as follows:

- | | |
|---------------------------------|--|
| 57 th Revised Page 1 | Updates Check Sheet |
| First Revised Page 14 | Deletes the Pay Telephone Surcharge maximum rate |
| Fifth Revised Page 34.5 | Increases Plan F Service maximum rates |
| <i>Price List:</i> | |
| 10 th Revised Page 1 | Increases the current Pay Telephone Surcharge |
| 8 th Revised Page 3 | Increases the current Plan F 60 Minute MRC |

As discussed with Adam Lebrecht, this filing removes the maximum rate applicable to the Pay Telephone Surcharge, since this rate element is affected by FCC orders outside the control of the Company and increases the current rate for Pay Telephone Surcharge. This filing also proposes increases to maximum and current rates associated with Plan F Service (TalkTime 60). These changes are part of a nationwide revision scheduled to become effective May 1, 2005.

Customer Notices

Dear Sample A. Sample:

At Verizon Long Distance, we are committed to informing you immediately of any changes that may affect you.

We are proposing the following changes to our rates and charges:

A. We are proposing to eliminate the legal maximum in the state of Arizona for the pay telephone surcharge, which is now \$0.30 per payphone call. The purpose of this proposal is to allow us to vary the rate in response to changes in the corresponding federal rate for this charge.

B. Pending approval by the Arizona Corporation Commission, the current rate for the pay telephone surcharge will increase from \$0.24 per payphone call to \$0.50 per payphone call on May 1, 2005.

These changes may increase your total charge. These changes will be voted on at a future Open Meeting of the Arizona Corporation Commission (Commission). These changes will become effective only upon approval by the Commission. If you have any questions, please contact Verizon Long Distance at 1-800-483-4000. If you have further questions, you may contact the Consumer Services Section of the Commission at 602-542-4251 or 1-800-222-7000 or you may go to its website at <http://www.cc.state.az.us>

We greatly appreciate your business and thank you for choosing us as your long distance provider.

Sincerely,

Mike Hassett
Senior Vice President

Dear Sample A. Sample:

At Verizon Long Distance, we are committed to providing you with excellent service. As part of that commitment, we strive to inform you immediately of any changes to your service.

We are proposing the following changes to our rates and charges:

A. We are proposing to increase from \$5 to \$12 the legal maximum monthly fee in the state of Arizona for the TalkTime 60 Plan. The legal maximum is the price ceiling for the plan and may not be the actual rate that Verizon Long Distance charges for the plan.

B. Pending approval by the Arizona Corporation Commission (Commission), the actual monthly fee for your TalkTime 60 Plan will increase from \$5 to \$6 on May 1, 2005.

You will still get 60 minutes of long distance calling per month included in your monthly fee and your additional per minute rate will remain at 10¢/minute.

These changes may increase your total charge. These changes will be voted on at a future Open Meeting of the Arizona Corporation Commission (Commission). These changes will become effective only upon approval by the Commission. If you have any questions, please contact Verizon Long Distance at 1-800-483-4000. If you have further questions, you may contact the Consumer Services Section of the Commission at 602-542-4251 or 1-800-222-7000 or you may go to its website at <http://www.cc.state.az.us>

We greatly appreciate your business and thank you for choosing us as your long distance provider.

Sincerely,

Mike Hassett
