Re: GE Business Productivity Solutions / Business Productivity Solutions
Docket Nos. T-02719A-04-0760; T-04280A-04-0760

Dear Chairman Hatch-Miller:

The purpose of this letter is to highlight a procedural matter of some importance to GE Business Productivity Solutions, Inc. ("GEBPS"). In October 2004, GEBPS filed, as part of a nationwide transaction, for the Commission's approval of the transfer of its Certificate of Convenience and Necessity and its assets to Business Productivity Solutions, Inc. The parties have now received regulatory approval for the transaction from the FCC and from every other state requiring such approval. Because the overall transaction will not close until the end of the month in which all regulatory approvals are obtained, GEBPS is hopeful that this matter can be placed on an Open Meeting agenda in March for the Commission's consideration.

It is our understanding that the Securities Open Meeting agenda for March 24, 2005, may include other Utilities Division matters and that there may be Special Open Meetings scheduled in March on other Utilities Division matters. GEBPS respectfully requests that, if a Recommended Opinion and Order is completed in due time, you place this matter on the March 24, 2005 Open Meeting agenda, or on the agenda of an earlier March Open Meeting.

Thank you for your consideration.

Sincerely,

Victor A. Allums
General Counsel
