 APPROVAL OF AN WATER

 TARIFF.

DOCKET NO. W-03515A-05-

**NOTICE OF FILING WATER
AUGMENTATION SURCHARGE**

12 Tonto Basin Water Company ("Company") hereby files a proposed Water Augmentation
 13 Surcharge Tariff. The tariff would allow the Company to make monthly adjustments to its rates
 14 and charges for water service to recover costs incurred for Water Augmentation Costs, including
 15 bulk water purchases and transportation, which would be required if a Curtailment tariff is
 16 approved by this Commission.

17 The Water Augmentation Surcharge shall be calculated by dividing the total Water
 18 Hauling Costs incurred in a given month by the amount of water sold that month. The resulting
 19 rate per 1,000 gallons will then be multiplied by the gallons used in that month for each customer
 20 to arrive at the surcharge per 1,000 gallons. The resulting Water Augmentation Surcharge would
 21 then be charged in the next month's billing cycle as a separate line item on the customer's bill.

22 Imposition of this surcharge will have no impact on the rate of return realized by the
 23 Company.

WATER AUGMENTATION SURCHARGE

Tonto Basin Water Company ("Company") is authorized to make monthly adjustments to its rates and charges for water service to recover costs incurred for bulk water purchases and transportation ("Water Augmentation Costs") required by the Company's Commission-approved Curtailment Tariff.

The Water Augmentation Surcharge shall be calculated by dividing the total Water Augmentation Costs incurred in a given month by the amount of water sold that month. The resulting rate per 1,000 gallons will then be multiplied by the gallons used in that month for each customer to arrive at the surcharge per 1000 gallons. The resulting Water Augmentation Surcharge will be charged in the next month as a separate line item on the customer's bill.
