To whom it may concern: RE: DOCKET NO. G-01551A-04-0876

By all means, now that you have gotten us converted to natural gas, raise the price again!!!

For years, you told your customers how cheap natural gas was and we believed you. We made the switch. Now, it is more expensive than electricity. WHAT IS GOING ON?

My husband and I are totally against another increase.

Yours truly,

Lise Squires
