DOCKET W-01412A-04-0736

I do not wish to intervene in the above referenced matter; however, I would appreciate your considering my written comments contained in this letter, regarding the request of Valley Utilities Water Company, Inc. to increase rates by 68.13%.

Such increase is unconscionable. Even though the increase is in a two-step process, the amount of the increase is too much for the consumers to bear. Accordingly, we would appreciate your limiting the rate increase to a more moderate amount.
