PUBLIC NOTICE OF HEARING ON SABROSA WATER COMPANY'S
EMERGENCY INTERIM RATE APPLICATION
Docket No. W-02111A-05-0167

On March 8, 2005, Sabrosa Water Company ("Company") filed an emergency interim rate application with the Arizona Corporation Commission. The Company is requesting that the Commission authorize rates, including a Base Rate of \$39.50 and consumptive charges of (i) \$6.00 per 1,000 gallons up to 3,000 gallons used; (ii) \$9.00 per 1,000 gallons from 3,001 to 10,000 gallons used; and (iii) \$10.80 per 1,000 gallons for 10,001 and more gallons used. Copies of the Company's application and proposed tariffs are available at its office (Global Water Resources, 22601 North 19th Avenue, Suite 210, Phoenix, Arizona) and at the Commission's offices in the Docket Control Center for public inspection during regular business hours. The Commission's Utilities Division Staff will file a recommendation to the Commission on the Company's application by April 22, 2005, and copies of that filing will be available at the Commission's offices in the Docket Control Center for public inspection after that date.

The Commission will hold a public evidentiary hearing on this matter beginning **May 6, 2005, at 10:00am** at the Commission's offices, 1200 West Washington Street, Phoenix, Arizona. Public comments will be taken on the first day of the hearing. Upon conclusion of the hearing, the presiding administrative law judge will take the matter under advisement and will draft a recommended Opinion and Order for the Commission's consideration. The Commission will ultimately vote on the application at a subsequent Open Meeting at a date to be determined, and may adopt the Company's proposed rates, or rates that are higher or lower than those sought by the Company.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission no later than April 29, 2005. The motion to intervene must be sent to the Company or its counsel and to all parties of record, and must contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different from the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g. a customer of the Company, a shareholder of the Company, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case. You will not receive any further notice of this proceeding unless you request it.

If you have any questions about this application, wish to file written comments on the application, or want further information on intervention, you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007, or call 1-800-222-7000.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting the ADA Coordinator, Linda Hogan, at LHogan@cc.state.az.us, voice phone number 602-542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.
