RE: MOTION TO INTERVENE in the matter of the application of Oak Creek Utility Corporation for increase in its rates and charges for water and sewer utility service.

DOCKET NUMBER: WS-02061A-04-0835
~~WS-02061A-04-0836~~

My name, address and telephone number are listed below.

I am writing this letter to inform you that I have received and read the Arizona Corporation Commission, Utility Division Staff Report dated April 11, 2005.

I still oppose the OCUC (Company) "proposed rates", but I would be satisfied with the "staff recommended rates". It appears your staff recognized the ambiguous nature of OCUC's records, and is proposing a more reasonable and fair rate increase for each of the utilities. I like the staff recommended water rates that increase proportionally with usage; this may encourage water conservation.

Thank you for your attention to this matter. I plan to attend the public comment hearing that will be held in Sedona on May 5, 2005.

I hereby certify that a copy of this response letter has been mailed to Oak Creek Utility Corporation at P.O. Box 1020, Apache Junction, AZ 85217-1020.

Sincerely,

David Peck
