Re: Docket No. W-01452A-05-0082

Dear Ernest:

This will confirm my conversations with Jim Fisher that Cave Creek Water Company agrees to extend the deadline for filing the Commission Staff Reports in Docket No. W-01452A-05-0082 until June 7, 2005 in order to provide Staff with additional information that it has requested for its analysis.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Raymond S. Heyman
