Litchfield Vista View III Home Owners Association has reviewed a memorandum from Valley Utilities Water Company, Inc. regarding a proposed increase in water rates. As current customers of Valley Utilities Water Company we are very much opposed to such a substantial increase without reasonable explanation of the rate increase. The increase however, appears excessive under any circumstances. We would like to be represented and allowed to be present at the open public hearing, on July 14, 2005 at 1200 West Washington Phoenix AZ.

Litchfield Vista View III Home Owners Association has provided a copy of this motion to intervene to Paul Faith, attorney at law, Valley Utilities Water Company, Inc. and all members of the Litchfield Vista View III Home Owners Association.

Sincerely, 

Litchfield Vista View III Home Owners Association
