RECEIVED

There will be a Workshop on August 7-10, 2001 on the Retail Parity Report recently issued by the Third Party Test Administrator, CAP Gemini Ernst & Young ("CGE&Y"). A copy of the Workshop Agenda is attached. The Retail Parity Report was distributed by the Staff to all parties on July 13, 2001. The Workshop will be held at Qwest's facilities located at 5090 North 40th Street, Phoenix, Arizona on Tuesday, August 7, 2001 and will commence at 9:00 a.m. The remainder of the Workshop (August 8 through August 10, 2001) will be held at the Commission's offices located at 1200 West Washington Street, Phoenix, Arizona. Interested parties should report to Hearing Room 1 on the first floor of the Commission at 9:00 a.m. on August 8th.

As indicated in our original Notice, the underlying and supporting data for the Retail Parity Report is available for inspection by any interested parties prior to the Workshop. The hours of availability are from 8 a.m. to 5 p.m. Monday through Friday, by appointment only. Parties should call Twila Wright at 480-736-8500 to schedule an appointment. The data will be housed at and available for inspection at CGE&Y's offices located at 1438 W. Broadway Road, Suite B-250, Tempe, Arizona.

Parties are asked to submit all of the questions that they intend to ask at the Workshop in writing. While the deadline for submission of questions has passed, parties may submit additional written questions as needed, although should expect that some additional processing time may be needed by the Test Administrator depending upon when the questions are submitted. The template to be used to submit questions is attached. Submission of the questions in advance will in no way preclude parties from asking additional questions at the Workshop. Copies of the questions submitted by other parties or a copy of the Report may be obtained from my secretary, Sheri Moya (602-542-3402) or Docket Control.
