ATTN: Docket Control Re: AEPCO 01773A-04-0528 and SWTCO E-04100-04-0527

1200 West Washington Street

Phoenix, AZ 85007

E-04100A-04-0527
E-01773A-04-0528

Dear Commissioners;

I am a customer of Sulphur Springs Valley Electric Coop (SSVEC) and take strong exception to the Environmental Portfolio Standards that are currently being considered by the Arizona Corporation Commission. I do not want our monthly Environmental Surcharge increased and do not want my electric company to be required to purchase renewable energy on the open market. Such a practice will lead to artificially inflated electric bills.

Sincerely,

Gloria S. Barker
