Re: Arizona Corporation Commission Preferred Carrier Arrangements Docket No. T-00000K-04-0927

Dear Sirs:

I am writing this letter on behalf of the Home Builders Association of Central Arizona ("HBACA"). HBACA is aware that the Arizona Corporation Commission has opened the above-referenced docket to investigate Preferred Carrier Arrangements and other similar practices involving telephone service to residential and/or business developments. We also understand that the ACC investigation is in the early stages and the Commission has not yet taken any formal action. By this letter, HBACA wanted to advise the Commission that HBACA has an interest in Preferred Carrier Arrangements for developments. Specifically, HBACA believes that Preferred Carrier Arrangements are beneficial to consumers and have many public benefits and uses.

As a result, if the Corporation Commission undertakes any formal action in the Preferred Carrier docket, HBACA would like the opportunity to file comments and provide information relating to Preferred Carrier Arrangements and related issues. Please add HBACA to the docket mailing list at the following address:
