Dear Honorable Jane L. Rodda:

SW-04305A-05-0086
SW-04305A-05-0087

I am writing you in reference to a meeting that was held in Tucson June 29, 2005 which the homeowners in San Manuel were supposed to be notified and were not. This meeting was between the Corporation Commission and Coronado Utility Co. B.H.P. should provide a facility that has a C.C. & N. licensed system to turn over to a private company to run and own, so service will be provided for \$12 to \$15 per month, ie Fair Market Value.

BHP has not been held accountable for running a compliant facility. Now they are attempting to defect the responsibility of rectifying this to the homeowners of San Manuel. As one of those homeowners, I oppose this tactic. BHP has an obligation to supply the community with sewage treatment as stated in our deeds.

I am on a fixed income as many of San Manuel homeowners are. The proposed fees will be impossible for me to pay.

Sincerely,

Hazel N. Cooper
