Dear Honorable Jane L. Rodda:

This letter is in reference to a meeting that was held in Tucson on June 29, 2005. The homeowners in San Manuel were supposed to be notified of this meeting and were not, so they could not express their opinions regarding the sewage system.

BHP should provide a facility that has a C.C.&N. licensed system to turn over to a private company to own and run so that service will be provided at a fair market value of \$12 to \$18 per month.

Thank you for your consideration.

Sincerely

Freeman L. Brooks
