Re: Your letter dated July 12, 2003
Arizona Water Company Rate Case
Docket No. W-01445A-04-0650

Dear Marta:

Thank you for addressing my phone call so quickly. We agreed that the Transcript (page 1235) shows that Exhibit S-32 (Ludders Surrebuttal) was, in fact, admitted. Therefore, I am returning the original Exhibit S-32 to you, so that you can forward it to Docket Control. I would also ask that the Transcript's Index to Exhibits be corrected. Thank you for your assistance.

Very truly yours,

Timothy J. Sabo
Attorney, Legal Division
