Dear Honorable Jane L. Rodda:

RE: Sewage System for San Manuel Townsite

I am writing in reference to a meeting that was held in Tucson on June 29, 2005. The homeowners in San Manuel were supposed to be notified of this meeting and were not, so they could not be there to express their opinions.

BHP should provide a facility that has a C.C.&N. licensed system to turn over to a private company to own and run so that service will be provided at a fair market value of \$12 to \$18 per month.

Thank you for your consideration.

Sincerely

Raymond E Craighill
