PROCEDURAL ORDER

BY THE COMMISSION:

The Arizona Corporation Commission ("Commission") directed its Utilities Division Staff ("Staff") to open the above-captioned matter to determine the feasibility of a hook-up moratorium for the seven McLain water systems listed above.

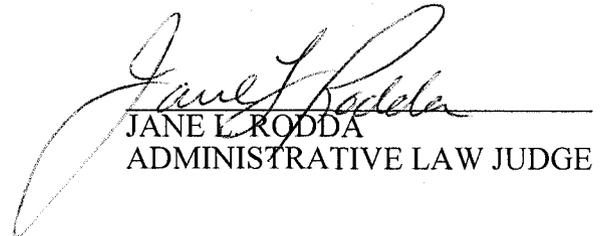

On July 20, 2005, Staff filed a Motion to Open Docket and Request for Procedural Conference. Because of recent hardships on the customers of the McLain water systems resulting from system outages, Staff requests a Procedural Conference to fashion a framework for addressing the issues raised in these dockets be set as soon as possible.

IT IS THEREFORE ORDERED that a **Procedural Conference** for the purpose of establishing guidelines in the above-captioned dockets shall commence on **August 12, 2005, at 10:00 a.m.**, or as soon thereafter as is practical, at the Commission's Tucson offices, **Room 131**, 400 West Congress, Tucson, Arizona 85701.<sup>1</sup>

<sup>1</sup> By Procedural Order this same date, the Commission set a procedural conference to commence at the same time in Docket No. W-01646A-05-506 et al, related to the determination of a RCN rate base for the McLain water systems. Although the matters of the rate base determination and hook-up moratorium are not being consolidated, the procedural conferences for these matters will be held at the same time in the interest of judicial efficiency.

1 IT IS FURTHER ORDERED that the Presiding Officer may rescind, alter, amend, or waive  
2 any portion of this Procedural Order either by subsequent Procedural Order or by ruling at hearing.

3 DATED this 29<sup>th</sup> day of July, 2005.
