RE: Pinal West to Southeast Valley/Browning Electric Transmission Project

Dear Chairman Hatch-Miller and Commissioners:

As residents of Pinal County, we are asking you to accept the Line Siting Committee's recommendation for the SRP 500 kV line placement. The towns of Florence, Coolidge and Casa Grande are all supporting the Backwards C Alignment; the residents near the CAP alignment have testified against the 500 kV line being placed along the CAP (the eastern alignment); and after taking testimony for months on this issue, the Line Citing Committee has recommended that the Backwards C Alignment be accepted.

We would ask that you listen to all of the above residents of Pinal County when making your final decision as to placement of this project.

Sincerely,

Dennis C Wall
Reanee Wall
