Re: U S West Communications, Inc's Compliance with Section 271 of the  
Telecommunications Act of 1996; Docket No. T-00000A-97-238

Dear Brian:

I would like to have Section 271, Checklist Item One addressed on a date different than January 16, 2002. Given the apparent disagreement on whether or not certain impasse issues were resolved or remain unresolved, some additional time might be useful to the parties so that they may eliminate, or further narrow some of the issues prior to the next Open Meeting.

The Special Open meeting scheduled for Wednesday, January 16 should focus solely on the Privacy Notification issues generated by Qwest's dissemination of customer information.

Sincerely,

William A. Mundell  
Chairman
