Re: Qwest Corporation's Compliance with Section 271 of the Telecommunications Act of 1993, Docket No. T-00000A-97-0238

Dear Judge Rodda:

The Arizona Corporation Commission (the "Commission") issued three decisions in this matter on November 20, 2001.<sup>1</sup> The Decisions on Checklist items 5 and 6 ordered Qwest Corporation ("Qwest") to file a revised SGAT incorporating the Findings and Conclusion's of the Commission's Decisions within seven (7) days, or by November 27, 2001. The Commission also issued a decision regarding Emerging Services which required Qwest to file a revised SGAT by November 30, 2001. In order to file one SGAT containing all of these revisions, Qwest has requested that the revised SGAT be due on November 30, 2001. This is to confirm my understanding that Qwest has an extension of time until November 30, 2001, by which to file a revised SGAT incorporating the Findings and Conclusions of the Commission's decisions on Checklist Items 5, 6, and Emerging Services. If you have any questions, please do not hesitate to contact me.

Very truly yours,

Timothy Berg

<sup>1</sup> Commission Decision 64215 relates to Emerging Services, Decision 64216 relates to Checklist Item 5, and Decision 64214 relates to Checklist Item 6.
