may intervene. Intervention shall be permitted any person entitled by law to intervene and having a direct and substantial interest in this matter. Persons desiring to intervene must file a written motion to intervene with the Commission within twenty (20) days from the date of publication of this notice. This motion should be sent to the Company or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different from the intervenor.

2. A short statement of the proposed intervenor's interest in proceeding (e.g., a customer of the Company, a shareholder of the Company, a competitor, etc.)

3. A statement certifying that a copy of the motion to intervene has been mailed to the company or its counsel and to all parties of record in the case. The granting of motions to intervene shall be governed by A.A.C.R. 4-3-105.

The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However,

failure to intervene does not preclude any interested person or entity from appearing at the hearing and making a statement on their behalf.

If you have any questions concerning this application or want information on intervention, you would contact the Customer Service Section of the Commission by calling 1-800-222-7000.
