Dear Sir:

I wish to question the proposed rate increase by Arizona American Water Company for removal of arsenic from the water supply of Sun City West and the other districts. I can't imagine it will require \$8.97 from each and every household in Sun City West District each month to decrease the arsenic level in our drinking water by 40 parts per billion. I would prefer to pay to revoke the new federal drinking water standards!

I hope you will require very specific documentation of costs they will incur.

Respectfully Yours,

Oliver P. Campbell, M.D.
