Re: Santa Rosa Water Company, Docket No: W-04137A-02-0692 and Santa Rosa Utility Company, Docket No: SW-04136A-02-0691

Dear Docket Control:

In Decision No. 65753 dated March 20, 2003 which granted Santa Rosa Utility Company ("SRUC") a sewer CC&N, the CC&N was conditioned upon SRUC submitting a copy of its initial sewer Approval to Construct from ADEQ within 24 months of the effective date of the order. However, at the time the order was issued ADEQ had ceased issuing Approvals to Construct for sewer. In the past, submission of the State Aquifer Protection Permit has satisfied the condition of filing a sewer Approval to Construct since ADEQ quit issuing Approvals to Construct. SRUC submitted its State Aquifer Protection Permit to Docket Control on May 13, 2005, and requests that submission of the Aquifer Protection Permit satisfy the requirement for the sewer Approval to Construct.

An original and 15 copies submitted.

Sincerely,

Jim Poulos
