DELETE - "45 days of securing easements of right of way"

REPLACE with - "120 days of the effective date of the Commission's decision regarding the Certificate"

Page 13, Line 2:

BETWEEN "signs" and "providing" INSERT - "throughout the entire approved Certificate corridor"

Page 13, line3:

BETWEEN "the" and "site" INSERT - "possible"

Page 13, Line 9½:

INSERT two new conditions -

A. "Within three (3) years of the effective date of the Commission's decision for the Project, the Applicant shall secure all easements for the transmission line and shall erect and maintain signs providing public notice that the property is the site of a future transmission line or substation. Applicant shall place signs in prominent locations at reasonable intervals such that the public is notified along the full length of the transmission line. The signs shall advise: a.) the site has been approved for the construction of Project facilities including 500 kV lines, 230 kV lines and substations, as applicable; b.) the expected date of completion of the Project facilities; and c.) a phone number for public information regarding the Project."

B. "Within 90 days of securing all or any portion of the easement for the transmission line, the Applicant shall record such easement with both the Pinal County Recorder's Office and the Maricopa Country Recorder's Office."

Make all conforming changes.
