Subject: Southwest quarter section 27, Township 4 South, Range 3 East
Palo Verde WWTP

Dear Ms. Vogan:

CAAG staff has reviewed the attached letter of March 24, 2005 and Exhibit 2, Service Area Map for Palo Verde Utilities Company. As stated in the letter, the CAAG 208 Amendment dated September 10, 2003, page 1, Sewage Management Area Table, indicates the partial section of 27 to be included in the planning area. As also stated, a revised service area exhibit, dated October 2003, does not indicate this portion to be included. According to Kennedy/Jenks Consultants, it was inadvertently removed from the original service area map that was included with the 208 Amendment application. This information has been placed on file for reference of the 208 service area for Palo Verde Utilities Company.

If you have any questions, please do not hesitate to contact me.

Thank you,

Robert B. Wilson

Subject: Southeast quarter section 27, Township 4 South, Range 3 East

K/J Project Number: 0493034.04

Dear Mr. Wilson:

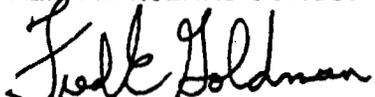

The approved Palo Verde Utilities Company 208 service excluded a small 100 acre piece of land located in the southeast quarter section of 27, Township 4 South, Range 3 East. This parcel is included in the current CC&R Application before the Arizona Corporation Commission which has been endorsed by the City of Maricopa (see attachment).

We noted that the CAAG 208 Amendment dated September 10, 2003, page 1, Sewage Management Area Table, indicates the partial section of 27 to be included in the planning. However, a revised service area exhibit, dated October 2003, does not indicate this portion to be included. It was inadvertently removed from the original service area map that was included with the 208 Amendment application. Attached are copies of the exhibits that indicated the inclusion of the partial section and the revised service area map that was submitted in October.

If you have any questions, please call me at 602-274-0886.

Very truly yours,
