Docket No. WS-01303A-05-____ WS-01303A-05-0588

Dear Sir or Madam:

Enclosed for filing are an original and 13 copies of revised tariff sheets for the following Arizona-American Water Company Districts:

1. Sun City West
2. Sun City
3. Anthem
4. Tubac
5. Havasu
6. Mohave
7. Agua Fria

The purpose of the first seven revisions is to offer separate service and meter installation charges to new customers. This allows a customer with an existing service line to pay only for the meter installation and vice versa. The charge to a customer who requires both installations will be unchanged. This process is consistent with the two-part charges already in place in the Company's Agua Fria District. These revisions have already been discussed with Commission Staff.

The proposed revision to the Agua Fria tariff adds an alternate meter installation charge for customers where automatic meter reading is required. This revision has also been discussed with Commission Staff.

Very truly yours,

Craig A. Marks
Corporate Counsel

Miscellaneous MISC-I

This District is authorized to charge the following miscellaneous service fees:

Service Establishment, Reestablishment and/or Reconnection Charge

As provided for in Rule No. 2 (D), the Company will charge the following rates for the establishment or reestablishment and/or reconnection of Water Utility Service:

- | | |
|----------------------------------|----------|
| 1. During normal business hours. | \$ 30.00 |
| 2. During non-business hours. | \$ 40.00 |

Insufficient Funds NSF) Check Charge

As provided for in Rule No. 8 (F), the Company will charge the customer \$10.00 for each instance the customer tenders payment for service with insufficient funds check.

Customer Requested Meter Reread Charge

As provided for in Rule No. 7 (C), the Company will charge the customer \$5.00 for customer requested meter rereading, provided that the original reading was not in error.

Meter Test Charge

As provided for in Rule No. 7 (F), the Company will charge the customer \$10.00 for testing a meter upon the customer's request. However, if the meter is found to be over-registering by more than three percent (3%), no meter-testing fee will be charged to the customer.
