Decision No. 65535

1 **BY THE COMMISSION:**

2 On June 19, 2002, American Communication Services of Pima County, Inc. dba e.spire
3 ("ACSI Pima") and ACSI Local Switched Services, Inc. dba e.spire ("ACSI Switched") (the "e.spire
4 Operating Entities"); along with Xspedius Management Co. of Pima County, LLC and Xspedius
5 Management Co. Switched Services, LLC (the "Xspedius Operating Entities") (collectively,
6 "Applicants") filed with the Arizona Corporation Commission ("Commission") the above-captioned
7 joint application for authority pursuant to A.R.S. § 40-285 to transfer substantially all the assets of the
8 e.spire Operating Entities to the Xspedius Operating Entities, for the purpose of allowing the
9 Xspedius Operating Entities to provide service to the customers of the e.spire Operating Entities
10 without interruption of service ("Joint Application").¹

11 Also on June 19, 2002, the Xspedius Operating Entities filed applications for new Certificates
12 of Convenience and Necessity ("CC&N") to provide competitive resold and facilities based local
13 exchange, exchange access, and interexchange telecommunications service in the State of Arizona.
14 The Commission approved the CC&N applications and granted authority for the asset transfers in
15 Decision No. 65124 (August 23, 2002).

16 In addition to the asset transfer, the Joint Application requested authority for the e.spire
17 Operating Entities to discontinue the provision of local exchange service, pursuant to A.A.C. R14-2-
18 1107.

19 On October 3, 2002, the Commission's Utilities Division Staff ("Staff") filed a Staff Report
20 recommending approval of the discontinuance of services by the e.spire Operating Entities.

21 * * * * *

22 Having considered the entire record herein and being fully advised in the premises, the
23 Commission finds, concludes, and orders that:

24 **FINDINGS OF FACT**

25 1. On June 19, 2002, Applicants filed the Joint Application. The Joint Application
26 requested authority pursuant to A.R.S. § 40-285 to transfer substantially all the assets of ACSI Pima

27 ¹ The Joint Application arose out of the voluntary petition for Chapter 11 protection that the e.spire Operating Entities
28 filed with the United States Bankruptcy Court for Delaware on March 22, 2001, and a proposed transaction approved by
the Bankruptcy Court in a Sale Order entered on June 5, 2002.

1 and ACSI Switched to the Xpedius Operating Entities. The Commission approved the asset transfers
2 in Decision No. 65124.

3 2. The Joint Application also requested authority for the e.spire Operating Entities to
4 discontinue the provision of local exchange service, pursuant to A.A.C. R14-2-1107.

5 3. ACSI Pima was granted a CC&N by Commission Decision No. 60078 (February 19,
6 1996) to provide intrastate competitive telecommunications services in Arizona, including local
7 exchange services and intraLATA toll services.

8 4. ACSI Switched was granted a CC&N by Commission Decision No. 60711 (February
9 27, 1998) to provide local switched services in Arizona.

10 5. On October 3, 2002, Staff filed a Staff Report recommending approval of the e.spire
11 Operating Entities' request for discontinuance of services. Staff further recommended that:
12

- 13 (a) the e.spire Operating Entities' application to discontinue telecommunications
14 services in Arizona be granted by the Commission;
- 15 (b) the e.spire Operating Entities' application to discontinue telecommunications
16 services be approved without a hearing;
- 17 (c) the Commission cancel the CC&Ns held respectively by ACSI Switched and
18 ACSI Pima;
- 19 (d) the Commission cancel the tariffs filed respectively by ACSI Switched and
20 ACSI Pima; and
- 21 (e) upon cancellation of its CC&N, ACSI Switched and ACSI Pima will no
22 longer be authorized to provide competitive facilities-based local exchange
23 telecommunications services in Arizona and will no longer be subject to the
24 requirements of Decision No. 60711 and Decision No. 60078.

25 6. Staff also recommended the following:

- 26 R14- (a) that the Xpedius Operating Entities issue a notice in accordance with AAC
27 2-1107 and provide a 90-day period from the date of notice in which the
28 transferred customers may elect to discontinue service without penalty; and
- (b) that the notice be issued within 30 days of the effective date of an order in this
matter. If the notice is not issued within the 30-day period, the Xpedius
Operating Entities' CC&Ns should be rendered null and void and no time
extensions shall be granted without further order of the Commission.

7. The July 25, 2002 Procedural Order issued in these consolidated dockets provided

1 Applicants with an opportunity to file any objections to the Staff Report. Applicants did not file any
2 objection.

3 8. A.A.C. R14-2-1107 requires any telecommunications company providing competitive
4 local exchange service that intends to discontinue service or to abandon all or a portion of its service
5 area to file an application for authorization with the Commission setting forth the following:

- 6
- 7 (a) Any reasons for the proposed discontinuance of service or abandonment of
service area;
 - 8 (b) Verification that all affected customers have been notified of the proposed
9 discontinuance or abandonment, and that all affected customers will have
access to an alternative local exchange service provider;
 - 10 (c) Where applicable, a plan for the refund of deposits collected; and
 - 11 (d) A list of all alternative utilities providing the same or similar service within the
12 affected geographic area.

13 9. Staff stated in the Staff Report that the e.spire Operating Entities have complied with
14 the provisions of AAC R14-2-1107.

15 10. On June 7, 2002, Applicants notified the customers of the e.spire Operating Entities of
16 the proposed discontinuance and transfer of service to the Xspedius Operating Entities. The June 7,
17 2002 letter informed customers that they need not take any action, or pay any change charges, to be
18 transferred to Xspedius, but that if they chose to change providers, the terms and conditions of their
19 e.spire contract would still apply, including any applicable termination liability or change charges.
20

21 11. Decision No. 65124 conditioned approval of the asset transfer upon re-notification of
22 the customers to inform them that they could elect, within 90 days of the notification, to continue or
23 discontinue service at their discretion, without prejudice or regard to contractual obligation.

24 12. Neither ACSI Pima nor ACSI Switched are providing service to any customers in
25 Arizona. All of their customers have been transferred to the Xspedius Operating Entities.

26 13. On December 3, 2002, the Xspedius Operating Entities mailed to the transferred
27 customers, by U.S. First-Class Mail, a letter notifying those customers of their option to discontinue
28

1 receiving service from the Xspedius Operating Entities within 90 days of the notice, with no
2 contractual penalties. This action constitutes compliance with the final Ordering Paragraph of
3 Decision No. 65124, which conditioned approval of the asset transfer upon such a notice.

4 14. As required by the July 25, 2002 Procedural Order in this matter, Applicants caused
5 notice of the request for discontinuance to be published in the *Arizona Republic* on July 30, 2002, and
6 caused the same notice to be mailed to the customers of ACSI Pima and ACSI Switched on July 29,
7 2002. This notice constitutes compliance with the requirements of A.A.C. R14-2-1107.

8 15. No objections, requests for hearing, or motions to intervene were filed.

9 16. All Arizona customers affected by the discontinuance request will have access to an
10 alternative local exchange service provider.

11 17. Customer deposits have been transferred to the customer accounts at the Xpedius
12 Operating Entities, and pursuant to Decision No. 65124, deposits will be refunded to customers who
13 choose to discontinue service from the Xspedius Operating Entities within 90 days of the December
14 3, 2002 notice.

15 18. Staff's recommendations in Findings of Fact No. 5 above are reasonable.

16 19. Applicants have complied with Staff's recommendations as set forth in Findings of
17 Fact No. 6 above.

18
