LOCAL NUMBER PORTABILITY
MANAGED CUTS**

- 1.0 A Managed Cut permits CLEC to select a coordinated cut for LNP ("LNP Managed Cut") on an Individual Case Basis ("ICB"). LNP Managed Cuts are offered 24 X 7 X 365 basis. For example, Qwest allows CLEC to request a Managed Cut in those situations where a cut would otherwise have been flow-through, but where CLEC has a business need to have Qwest personnel dedicated to the cut.
- 1.1 The date and time for an LNP Managed Cut requires up-front planning and may need to be mutually determined by Qwest and CLEC. Qwest will use best efforts to schedule and complete all LNP Managed Cuts in accordance with CLEC's LNP Managed Cut request submitted pursuant to section 1.2 below, provided the information is complete and accurate. All requests will be processed on a nondiscriminatory, first come, first served basis and are subject to Qwest's good faith ability to meet a reasonable demand. Circumstances such as system downtime, switch upgrades, switch maintenance, and the possibility of other CLECs requesting the same Frame Due Time ("FDT") in the same switch (switch contention) will be considered. In the event that any of these situations occur, Qwest and CLEC will promptly determine a mutually agreed upon FDT, prior to Qwest's issuance of the Firm Order Confirmation (FOC). When this up-front coordination and FDT negotiation is needed, additional time may be required for the FOC.
- 1.2 CLEC shall request an LNP Managed Cut by submitting a Local Service Request ("LSR") and designating the order as a LNP Managed Cut in the remarks section of the LSR form.
- 1.3 CLEC will incur additional charges as set forth below and Section 1.7 herein, for the LNP Managed Cut dependent upon the FDT. The rates are based upon whether the request is within Qwest's normal business hours or out of hours. Qwest's normal business hours are 7:00 a.m. to 7:00 p.m., local time, Monday through Friday. The rate for a LNP Managed Cut during normal business hours is the standard rate. The rate for a LNP Managed Cut out of hours, except for Sundays and Holidays, is the overtime rate, and Sundays and Holidays is the premium rate.
- The parties agree that the LNP Managed Cut rates reflected herein will apply, but are subject to modification based on rate changes resulting from future SGAT proceedings or by order of the Commission.
- 1.4 Charges for LNP Managed Cuts shall be based upon actual hours worked in one half (½) hour increments multiplied by the number of Qwest personnel actively participating in the LNP Managed Cut. Such charges are set forth in Section 1.7 below.
- 1.5 Qwest will schedule the appropriate number of employees prior to the LNP Managed Cut, based upon information provided by CLEC. CLEC will also have appropriate personnel scheduled for the negotiated FDT. If CLEC's information

is modified during the LNP Managed Cut, and, as a result, non-scheduled employees are required, CLEC shall be charged a three (3) hour minimum callout per each additional non-scheduled employee. If the cut is either cancelled, or supplemented to change the due date within twenty four (24) hours of the negotiated FDT by CLEC, CLEC will be charged a three (3) hour minimum.

1.6 In the event that the LNP Managed Cut conversion is not successful, CLEC and Qwest agree to isolate and fix the problem in a timeframe acceptable to CLEC. If the problem cannot be corrected within an acceptable timeframe, CLEC may request the restoration of Qwest service for the ported customer. Such restoration shall occur immediately upon request. CLEC is required to issue a Supplemental LSR to either cancel the original LSR or change the due date.

1.7 Qwest will provide a LNP Managed Cut at the following rates:

LNP Managed Cut standard	Recurring NA	\$ 27.38 per ½ hour per person
LNP Managed Cut overtime	Recurring NA	\$ 35.43 per ½ hour per person
LNP Managed Cut premium	Recurring NA	\$ 43.49 per ½ hour per person
