12 6. Commission records reveal that Potato Patch Water Service, Inc., recently had its
13 Certificate cancelled by the Commission in Decision No. 65465 (December 19, 2002) in a transfer of
14 assets and adjudication proceeding.

15 7. Notice of the proceeding was given in the manner prescribed by law.

16 8. A number of the Commission's Procedural Orders which contained the notice of the
17 proceeding's pre-hearing conference and the hearing mailed to the Non-filing Respondents' last
18 known addresses were returned to the Commission with notations such as "return to sender, no
19 forwarding order on file", "moved, left no address, unable to forward", and "forwarding order
20 expired".

21 9. Ms. Madrid indicated that prior to the Complaint being filed, the Commission sent out
22 delinquent notices to all of the Non-filing Respondents to advise them that they had failed to file their
23 2001 Annual Reports. Since there was continued non-compliance, the Complaint was prepared and
24 filed.

25 10. Staff is recommending that the Certificates of the Non-filing Respondents which have
26 either failed to file their 2001 Annual Reports and/or failed to advise the Commission of their proper
27

28 ^{1.} _____
⁴ These Respondents are hereinafter known as the Cancellation Respondents.

1 mailing addresses be revoked and subject to financial penalties.

2 11. With respect to the Late-Filed Respondents, Staff is recommending the dismissals of
3 the Complaint herein.

4 12. With respect to the applications by the Cancellation Respondents, Staff is
5 recommending that their Certificate(s) be cancelled and the respective Dockets for cancellation be
6 administratively closed.

7 13. With respect to one Cancellation Respondent, CEO Telecommunications, Inc.
8 ("CEO"), an interexchange telecommunications service provider, Staff pointed that Legent
9 Communications Corporation ("Legent")⁵ had acquired CEO's customer base and related non-
10 tangible assets which were not useful and necessary in the performance of its duties to the public.
11 Although CEO and Legent did not believe Commission approval of the transaction was necessary
12 due to A.R.S. § 40-285(C), on July 22, 2002, they filed an application which requested the
13 Commission's approval. This application was assigned Docket Nos. T-04084A-02-0551 and T-
14 03152A-02-0551.

15 14. Evidence was provided to Staff by CEO that it had provided written notice to its
16 customers of Legent's acquisition of the customer base and its assumption of CEO's duties.
17 Customers were also advised that they could choose one of the numerous alternate service providers
18 if they did not want service from Legent. Staff also confirmed that there were no complaints against
19 CEO concerning any refunds of customer advances, deposits and/or prepayments.

20 15. Staff is recommending that the Commission approve the transaction between CEO and
21 Legent because sufficient notice was provided to CEO's customers and they have many alternate
22 providers to choose from if they do not want service from Legent. Staff is also recommending the
23 administrative closure of Docket Nos. T-04084A-02-0551 and T-03152A-02-0551.

24 16. Based upon our review of the record, we believe that Staff's recommendations are
25 appropriate and that the Certificate(s) of the above-described Non-filing utilities and/or individuals
26 should be revoked and that they should also be assessed financial penalties. However, if any affected

27 1. _____
28 ⁵ On June 26, 2002, in Decision No. 64979, the Commission granted a Certificate to Legent to provide resold
interexchange telecommunications service in Arizona.

1 Non-filing Respondent files, within 30 days of the effective date of this Decision, its 2001 Annual
2 Report, then the Order of revocation and penalty as to that utility and/or individual should be
3 rendered null and void without further Order by the Commission. At the end of the 30 day period.
4 Staff should file a compliance document indicating which, if any, of the Non-filing Respondents have
5 filed their 2001 Annual Report so that the Order of revocation and penalty should be rendered null
6 and void. The Complaint against the Late-filing Respondents should be dismissed.

7 17. We also find that as to the requests of the Cancellation Respondents, the Complaint
8 herein should be dismissed, their requests for cancellation should be approved and no penalties
9 should be ordered against them.

10 18. Lastly, we should approve the CEO/Legent transaction and Docket Nos. T-04084A-
11 02-0551 and T-03152A-02-0551 should be administratively closed.

12 CONCLUSIONS OF LAW

13 1. The above-referenced Non-filing Respondents are public service corporations within
14 the meaning of Article XV of the Arizona Constitution and A.R.S. §§ 40-281, 40-282 and 40-252.

15 2. The Commission has jurisdiction over the Non-filing Respondents and of the subject
16 matter of the Complaint herein.

17 3. The revocation of the Certificates of the Non-filing Respondents who have neither
18 late-filed their 2001 Utilities Division Annual Reports or applied for cancellation hereinabove as
19 described in Findings of Fact Nos. 4 and 5 would benefit the public interest.

20 4. The Complaint against the Late-filing Respondents, the Cancellation Respondents and
21 the Potato Patch Water Service, Inc. should be dismissed and no penalties assessed.

22 5. The applications for the cancellation of their Certificate(s) by the Cancellation
23 Respondents should be approved.

24 6. The CEO/Legent transaction should be approved and Docket Nos. T-04084A-02-0551
25 and T-03152A-02-0551 should be administratively closed.

26 7. Pursuant to A.R.S. § 40-425, the Non-filing Respondents should also each be
27 penalized the sum of \$250 unless, within 30 days of the effective date of this Decision, the Non-filing
28 Respondent files its 2001 Utilities Division Annual Report.
